**** All applicants are reviewed by a Jury, which means that each applicant undergoes a selection process. We have limited space at this event. ****

Submitting an application DOES NOT guarantee a space at our event. Your application will be reviewed, and if you are accepted, an email will be sent to you with booth payment instructions and more information. Upon payment for your booth, you will receive a confirmation email that your application process is complete.

We strive to provide a diverse assortment of handmade items. It is our intention to limit duplicate vendors to minimize vendor competition and provide our shoppers with a wide variety of unique items to choose from. Please be specific with what items you will be selling.

We will use your Facebook Page, Instagram, Etsy, Website, and/or submitted photos as a way to view your product and booth setup.

All vendors are expected to pay all booth fees within 10 days of acceptance email or their space may be given to another applicant.

The event is held in Swinging Gate Farm's 90' x 30' historic barn. Additional booths are located in front of the barn. We have the event rain or shine. In case of rain, all outside booths will set up in the Farmhouse, or a barn adjacent to the show barn called The Loft. We can accommodate 21 booths. We have an additional 3 bonus booths to offer. They will be outside but if the weather is bad, the booths will be in the balcony of the show barn.

The barn is heated by propane heaters so layers are recommended.

We have a food truck scheduled to attend.
